

SAVE THE DATE

Serving people with Autism Spectrum Disorders - A lifespan approach

**South Sound Autism Partnership's
First Annual Conference & Resource Fair**

Date: Saturday, March 24, 2012

Time: 9am - 4pm

Location: Tacoma School District • Professional Services Building

Purpose: To increase awareness about assessment, treatment, & **local** support resources for individuals with ASDs.

For: Families, community professionals, and agencies

Event will include:

- Keynote address by UW Autism Center Director Wendy Stone, Ph.D.
 - Breakout sessions for different age groups
 - Information booths from local agencies
 - Opportunities for networking

The South Sound Autism Partnership (SSAP) was developed to help promote access to services and improve the effectiveness of service delivery for individuals with ASD's in the south Puget Sound region.

Partnering organizations include, but are not limited to:
Autism Society of Washington, Clover Park School District, FEAT,
Madigan Hospital, Mary Bridge Hospital, PAVE, and UW Autism Center.
